Berthing Spaces

- Berthing spaces will be allocated by the Bosun in accordance with priorities agreed by the Committee. Donations received will be returned if the Member is not allocated a berth.
- Honorary members have no automatic entitlement to a berth for their boat.
- We will endeavour to ensure that all berthing requirements are met but, in case of excessive demand, we may ask that those boats that have not been sailed for a period agreed by the Committee be removed from station.
- In all other cases, priority for initial allocations of berths will be given to those paying their berth fees by 31st December 2016.
- A berth that is initially allocated to a member is not guaranteed for the whole year. If circumstances change (e.g. the boat park is full or the berthing arrangements are modified), the Committee may require that some boats are removed from the boatpark. In this case, an appropriate portion of the berthing donation will be refunded.

Payment by Internet Bank Transfer

You can pay your renewal fees by bank transfer to the Club's bank account:

Branch Code: 12-18-68 (Bank of Scotland)

Account Number: 00900660

Enter the "Reference" for your transfer as "*Your Name Fees*" so we know who has sent the money.

Please also send an email to the Membership Secretary to inform him that you have made the transfer: ***membership.secretary@ulleysailingclub.org.uk***

You still need to complete and return the Membership Renewal form.
